

## Documenting Respiratory Therapy Charges in I-View

Respiratory Therapy documentation has been updated to allow for charge documentation to be completed within I-View. **\*RT CHARGE** fields are conditional and will appear based on documentation of respiratory therapy services. **\*RT CHARGE** fields are required and must be completed prior to signing off on I-View documentation.

The charge description is listed at the end of **\*RT CHARGE**.  
Ex. **\*RT CHARGE MDI**  
**\*RT CHARGE Suction**

1. Click the **Required** field for **\*RT CHARGE**

Find Item	Critical	High	Low	Abnorm
Result				
Comments				
02/26/2021 10:55 CST				
Pulmonary Assessment RT				
Method of Treatment				Inhaler
*RT CHARGE MDI				
Treatment Delivered Via				
Breath Sounds RT				
Post Treatment Breath Sounds				
Breath Sounds Notes				

2. Select the appropriate charge option

Find Item	Critical	High	Low	Abnormal	Unauth	Flag
Result						
Comments						
Flag
