

Guide for accessing PowerChart from a personal device

Remote Access

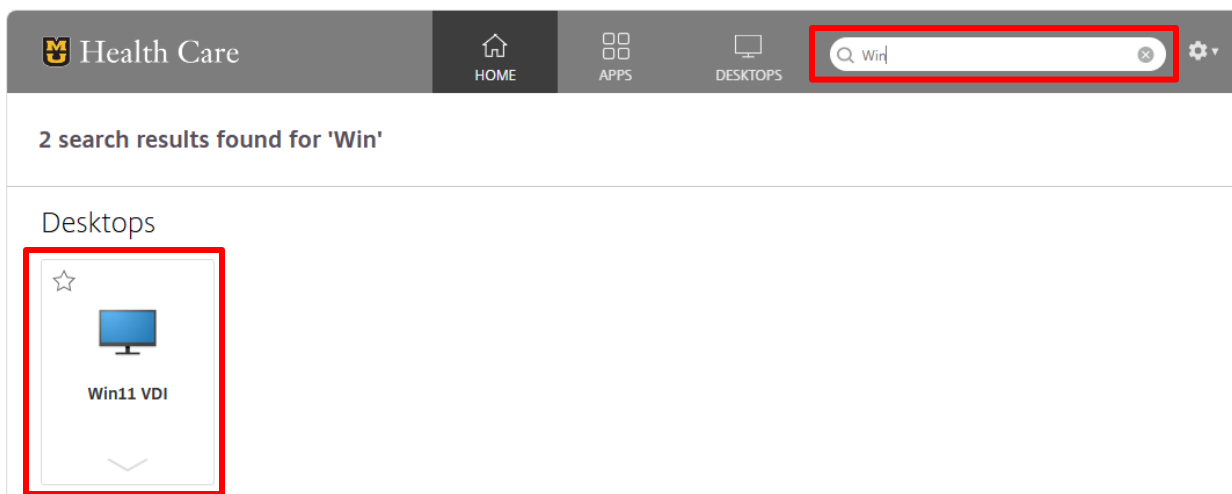

1. Click on or enter the following web address into the browser: <https://iportal.umh.edu/>
2. Login with your university **username@umsystem.edu** and **password**.

The image shows the login page for UM Health Care. On the left is the "UM Health Care" logo. On the right, there is a login form with the heading "Please log on to continue". It includes fields for "User name" (containing "username@umsystem.edu") and "Password". Below the password field is a checkbox for "I accept the Terms & Conditions" and a link for "Forgot your password?". A blue "Log On" button is at the bottom right of the form.

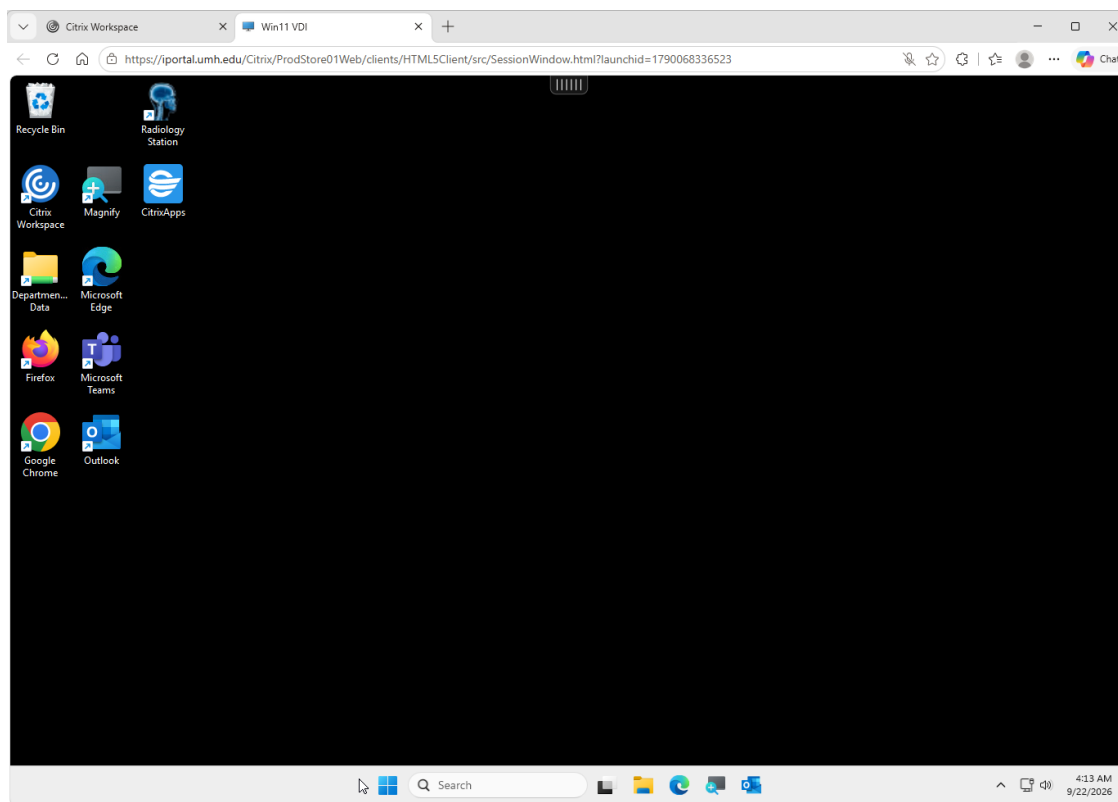

3. Click on **Detect Receiver**

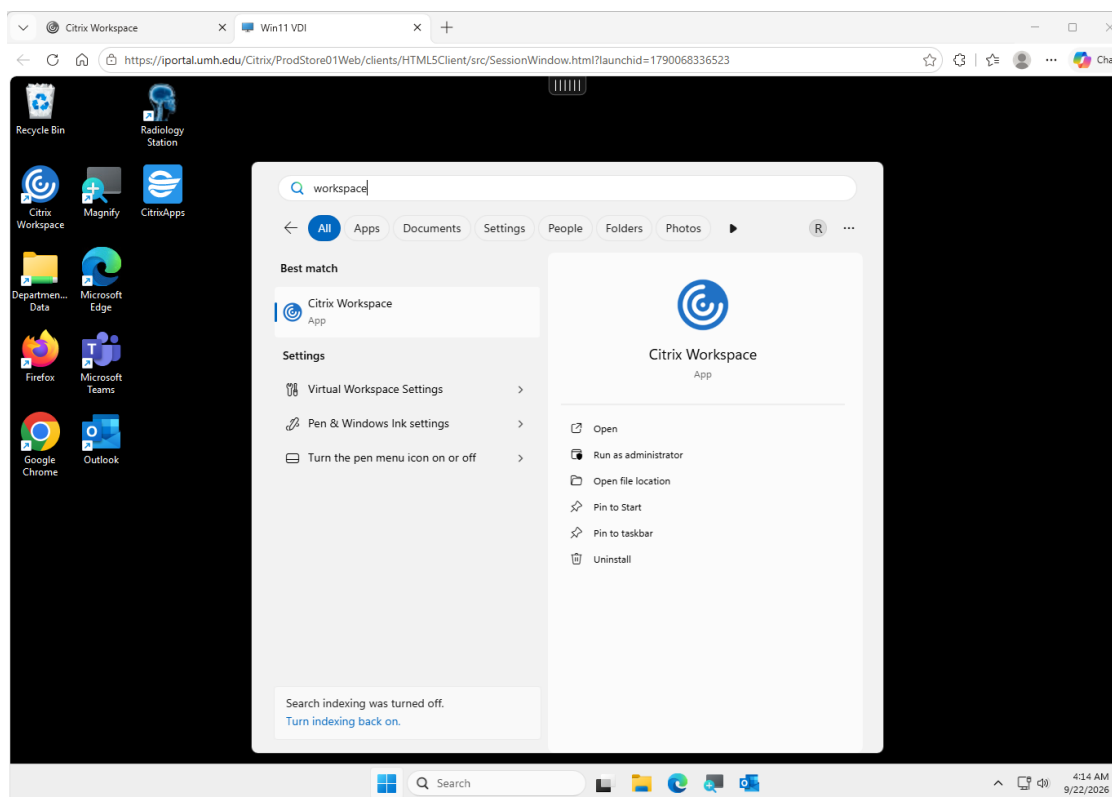

4. Search **Win11 VDI** in iPortal app search and Click & Open **Win11 VDI** desktop app

5. A Virtual Desktop window will launch

- a. If Citrix Workspace does not open, from the start menu on this Virtual Desktop, search **Workspace** and click to open **Citrix Workspace**

6. From this Citrix Workspace on the virtual Desktop- Click or Search your needed **Millennium/EMR application** - **PowerChart P810, FirstNet P810, Revenue Cycle P810, etc.**
