EMPLOYEE BENEFIT

Summary

University of Missouri System

Dear Colleagues:

Annual Enrollment is October 21 – November 1, 2024. This is the annual opportunity for faculty and staff to review and change insurance elections for the next calendar year. As always, we hope you will take some time to learn about the plan options available and make an informed decision about the coverage that will work best for you in 2025.

Each year, the Office of Human Resources conducts a benefits review in collaboration with the UM System Office of Finance, our vendor partners, and the Total Rewards Advisory Committee (TRAC), comprised of members representing faculty and staff from each university, MU Health Care and retirees (<u>umurl.us/trac</u>). This annual process helps us proactively manage costs and provide a competitive benefit to the university community. Healthcare costs continue to rise nationally, and the university is dedicated to offering solutions that will best support your needs.

Just like it is important to get your health checked annually, the same annual "benefit checkup" is important to help you make choices that are right for you for the coming year. Even if you do not plan to make changes to your insurance plans, I encourage you to take time to review your current elections, make the most of the resources to learn about plan options, and double check your dependent, beneficiary, and address information is accurate.

The decisions you make about health care and other benefits are personal and important. Thank you for engaging in your benefit enrollment process.

Sincerely, Marsha Fischer Vice President for the Office of Human Resources, University of Missouri

Marsha Fischer
Vice President for Human Resources
University of Missouri

Need assistance?

Book a one-on-one appointment with your HR Generalist for personalized insurance and enrollment assistance (<u>umurl.us/cbr</u>). For additional assistance, visit AskHR (askhr.umsystem.edu) or contact the HR Service Center by phone at (573) 882-2146 (toll-free (800) 488-5288), and via email at hrservicecenter@umsystem.edu. Learn more at <u>umurl.us/hrsc</u>.

Visit the Annual Enrollment webpage (umurl.us/enrollment) for additional information.

What's new for 2025

- Monthly premiums: Premium amounts vary depending on plan type and coverage level.
 - Medical plan increases from \$3-\$34 a month.
 - Dental plan increases from \$0.33-\$10.62 a month.
- Prescription-related changes: Increases across Custom Network and PPO Plans.
 - Prescription out-of-pocket maximum increases to \$5,450/self and \$10,900/family.
 - Minimum dollar threshold for retail maintenance prescription drugs* increases \$5-\$20 depending on prescription type.
- Annual contribution limits: IRS-approved increases for tax-favored accounts.
 - Health Savings Account: Increase to \$4,300/individual and \$8,550/family.
 - Health Care Flexible Spending Account: Increase to \$3,200.

*Maintenance prescription drugs are those taken on a regular basis to treat long-term conditions.

Refer to umurl.us/SBC for details.

Plans At-A-Glance

Healthy Savings Plan

High-deductible plan available regardless of location and administered by UnitedHealthcare. Has the lowest monthly premiums and features only one deductible and out-of-pocket maximum (medical and prescription combined). Utilizes UHC's broad nationwide network and associated discounts on services. Can be coupled with a Health Savings Account (HSA) to help maximize savings for health expenses, including an annual university contribution up to \$1,200 depending on coverage level and enrollment date. Learn more: umurl.us/HSP.

Custom Network Plan (Columbia and St. Louis)

Available to those who live or work in eligible counties near Columbia or St. Louis and administered by UnitedHealthcare. Features a narrow network of providers who offer quality care and share savings when you stay in-network. Participants only have in-network access to providers specific to that plan (i.e., Columbia *or* St. Louis). Columbia-area network has providers affiliated with MU Health Care and the St. Louis-area has providers affiliated with Mercy Health System. Learn more: umurl.us/CNP.

PPO Plan

Available to those who live or work outside of the eligible counties for the Tiered Feature (see below) and administered through UnitedHealthcare. This traditionally structured plan has a broad network of providers but also generally highest premiums of the available plans. Participants pay deductibles for most medical expenses and prescription drugs even when using in-network services. Learn more: umurl.us/PPO.

PPO Plan with Tiered Feature (also called Tiered PPO Plan)

Available to those who live or work in eligible counties around Kansas City and Rolla and administered by UnitedHealthcare. Structured like the base PPO Plan (above), this plan offers two tiers within that same broad network of providers which may result in enhanced savings when using providers recognized as offering high-quality, cost-effective care. Learn more: umurl.us/TierPPO.

Dental (Dental Base Plan and Dental Buy Up Plan)

Administered by Delta Dental and available regardless of location. Two coverage options are available, the Dental Base Plan and the Dental Buy Up Plan. Both options cover three classes of reasonable and customary expenses: preventive, basic and major services, and the Buy Up Plan expands coverage to include orthodontics (\$1,500 maximum lifetime benefit), a lower deductible and higher annual maximum. No matter the provider, deductible and coinsurance remain the same if charges are reasonable and customary but using Delta Dental's networks can help provide savings. Learn more: umurl.us/dental.

Vision

Vision insurance is administered and available through VSP. The university does not subsidize premiums, but VSP provides a discounted group rate available at all locations where VSP is accepted. The plan does not have a deductible and offers coverage for a number of eye care expenses. Learn more: <u>umurl.us/vision</u>.

Disability and Life insurance

Employees have several options for life insurance to help give peace of mind. In fact, Basic Life and Short-Term Disability (benefit-eligible staff and certain non-regular academic employees) have options that are 100% university-paid—available at no cost to you. Other voluntary life and disability plan options are also available. The university does not subsidize premiums for these plans, but negotiates to offer them at a reduced cost. MetLife administers all Life, Short-Term Disability, Long-Term Disability and Accidental Death and Dismemberment insurance options. Learn more: umurl.us/dlins.

Visit <u>umurl.us/dlin</u> for more on disability and life options.

Enroll in myHR

If you are a current faculty or staff member, Annual Enrollment is your annual opportunity to review and change your benefits for next year. If you do not make changes, your current enrollments will continue into the new calendar year, except for Flexible Spending Accounts (FSAs). You must re-enroll in Health Care and Dependent Care FSAs each year. Learn more: umurl.us/enrollment.

If you are a newly benefit-eligible faculty or staff member, you must take action during your initial enrollment period, even if your decision is to waive coverage. Otherwise, you will default to the self-only coverage level of the Healthy Savings Plan and pay taxes on your premiums. Learn more: umurl.us/enrolling.

Enroll in myHR (myhr.umsystem.edu) once you've decided which insurance plans are best for you:

- Visit myhr.umsystem.edu (Firefox or Chrome recommended) and log in.
- Click the "My Benefits" tile and select "Benefits Enrollment" from the left menu to access the self-service application.
- Follow the instructions provided to submit your plan choices or waive coverage. Click "Submit Enrollment" button.
- Once submitted, you will see a "Benefits Alerts" pop-up confirming your submission and receive an email to your university email address.
 - o If these options do not appear, you must enable pop-up windows.
 - o You are not done with enrollment until you click both the "Submit Enrollment" and "Done" buttons on the pop-up screen.
- You will receive another email notification when your Confirmation Statement is available to view in myHR.
- Watch the mail for important documents, such as new insurance ID cards.
- For 2025 coverage, you will receive a new single card for medical and prescription coverage if you are newly enrolled or have changed plans. Dental ID cards will be issued only if you are newly enrolled, and the card will be in the subscriber's name. No card is issued for vision insurance.

Nurse Caroline UnitedHealthcare University of Missouri System

Caroline Murphy, RN

Hello! I am passionate about caring and supporting my members with any of their healthcare needs. I love working with the University of Missouri System faculty and staff. I look forward to supporting you and your family members on your health and wellness journey!

How can a Health Engagement Nurse help me?

Nurse Caroline is available to meet with you to discuss lifestyle behaviors you may want to address such as weight loss, physical activity, nutrition counseling, chronic condition management and disease prevention. Your Health Engagement Nurse, Caroline will help you create and work toward your personal health goals.

Will my personal information that I share with my Health Engagement Nurse be protected?

None of your personal information will be shared with your employer. All of your personal health information will be protected in accordance with HIPAA.

What other services does my Health Engagement Nurse offer?

Your Health Engagement Nurse Caroline will:

- Help you and your family make better health care decisions
- Demonstrate how to navigate UnitedHealthcare tools and resources
- Assist with finding in-network primary care physicians and specialists.
- Refer members to ap**pr**opriate wellness programs and services
- · Assist with medication questions and preventive care questions
- Provide support with chronic illnesses like diabetes, hypertension, and asthma
- Provide health education to individuals, families, or groups.
- Perform blood pressure screenings

How can I reach my Health Engagement Nurse?

Telephone: (573) 296-0158 M

(952) 486-4310 O

Email:

caroline murphy@uhc.com

Meet your Health Engagement

Coordinator

About Secily Adams, MS

Secily has spent many years working in higher education offering health and wellness services to students, faculty and staff. She holds a B.A. from Purdue University and a M.S. from the University of Illinois and is a certified health coach, personal trainer, and group fitness instructor. She is passionate about helping people live healthier lives and looks forward to helping University faculty and staff achieve their health goals.

How can a Health Engagement Coordinator help me?

Secily is available to provide group education and identify resources to help manage lifestyle behaviors you may want to address such as weight loss, physical activity, nutrition counseling and disease prevention.

Will my personal information that I share with my Health Engagement Coordinator be protected?

None of your personal information will be shared with your employer. All personal health information will be protected in accordance with HIPAA.

What other services does my Health Engagement Coordinator offer?

Your onsite Health Engagement Coordinator will:

- Engage employees in making better healthcare decisions
- Provide health education to group and individuals through in-person and virtual classes
- Coordinate on-site events, including health fairs, health screenings, weight loss and fitness challenges
- Serve as point of contact for programs

How can I reach my Health Coordinator?

Telephone: 314-413-3243
