5. You can also drop a class by clicking on the drop down arrow to the right of the class.

6. Once you have completed all requirements within the curriculum, it should fall off your Learning Plan. You can click on My Transcripts to verify your completed or “acquired” status.

A screenshot of the 'My Transcripts' page. On the left is a sidebar with navigation options: Plan, Profile, My Transcript (highlighted with a red arrow), Order History, Gage follows (0), Following Gage (0), Groups (2), Files (0), Links (0), Additional Information, and Analytics. The main content area is a table with columns for 'TITLE', 'PROGRESS', and 'ACTION'. The table lists several courses, including 'Acute Coronary Syndrome Review', 'ADM001 Annual Health Screen', 'Annual Required FIT - Testing', 'BLS Certification', 'CAPR Training Curriculum', 'Cardiac Educator', and 'CED Sim Man Mock Code Blue Tra...'. The 'CAPR Training Curriculum' row is highlighted with a red arrow, and its status is 'ACQUIRED'. Another red arrow points to the 'VIEW SUMMARY' button for the 'CAPR Training Curriculum' row.
